

THE WORD WHIRLPOOL

Unscramble the letters in brackets between the wavy seas to find the word that completes the word or phrase which appears before it and begins the word or phrase which follows. For example, the scrambled letters between the first set of wavy seas spell the word 'life', which finishes the word 'highlife' and begins the phrase 'life jacket'.

(This is a sample Word Link game only. In these games, you will unscramble letters to find a word that completes a word or phrase before it, and begins a word or phrase which follows. A Word Link activity in a particular unit elsewhere on our website will relate to the topic being explored in that unit.)
